

Intro-Entertainment Industry ~ Obstacles

Get out of the way!

- We listed our dreams
- Now we come back to reality
- What obstacles stand in the way of achieving your dream

Examples of Dreams and Obstacles

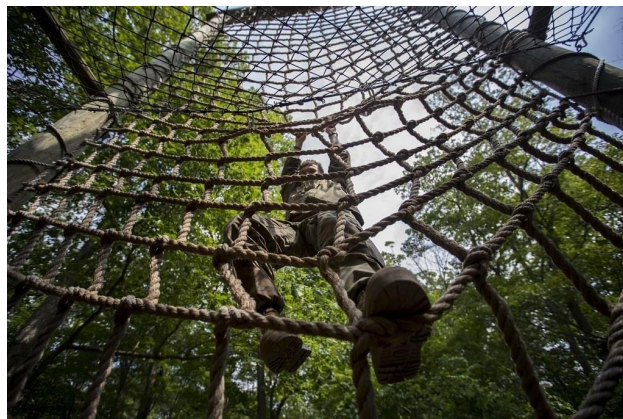

- **Dream** – To appear as a regular on Saturday Night Live
- **Obstacle** – Most of those people come from Second City or the Groundlings or something like that. I have never trained in improvisation, and don't know anyone who does it.
- **Dream** – To write and produce my own films
- **Obstacle** – I have only tried to write a script for my writing class and don't understand how screenplays get done. I have no contacts, and the whole thing seems overwhelming.
- **Dream** – To be so sought after that I don't need to audition, just accept scripts
- **Obstacle** – This idea implies that I have made a big success and that I know lots of people in the business. I don't.
